While EFT has produced remarkable clinical results, it must still be considered to be in the experimental stage. Neither Gary Craig nor Dr. Gigi Smith are licensed health practitioners, and certain issues should be addressed by such professionals. You must take complete responsibility for your physical and emotional well-being, and you must agree to hold harmless anyone involved with EFT from any claims made by anyone whom you seek to help with EFT.

EFT is a very flexible process and, beyond the Basic Recipe on the EFT page, what is presented on this site and in my work is my own way of doing this process and may not necessarily reflect the views of EFT or Gary Craig.
